<ul style="list-style-type: none"> This course is an incredible opportunity to pursue regular and structured lessons on a secondary instrument. I enjoyed the flexibility of the lessons, as I was able to adjust it to fit my schedule. I learned a lot about trumpet from my teacher as well as other members of the trumpet studio. I also was able to observe the way I was being taught and reflect on how I might use some of those methods to teach other college-aged students.

• Dr. Borden is an outstanding professor and I would absolutely take a course with her. This course was unique, as Dr. Borden facilitated the lessons but my assigned instructor was a fellow student. This made it so that I cannot comment specifically on Dr. Borden's teaching methods. However, from the interactions I have had with her, she is very considerate and concerned with student progress.
