- This was such a fantastic group to play with
- This quintet forced me to push myself as a musician. I enjoyed being able to work on difficult chamber music and work on developing our sound together as a group. I think that the music that we played was very appropriate for us and helped me grow.

18 - THE INSTRUCTOR: Please comment on the strengths and weaknesses of Brianne Borden. Would you take another course from this instructor? -

- Dr. Borden is a fantastic director, and I think a big part of that is that she is our friend. She was a big part of why we worked so well as a quintet.
- Dr. Borden gave us a lot of freedom in this group while still providing suggestions and helping us learn how to work well as a group. She kept us focused and encouraged our playing and to work on hard things. She always had good input, Dr. Borden rocks!
