Hi Brianne -

My name is Joseph Stepec. I am the director of the Hawaii Youth Symphony. I received your info from Parker Nakamura.

We have been holding a series of interviews/presentations with our students and specialists from around the country. Parker mentioned that you have a speciality in music and yoga and I wanted to reach out and ask if you might have any interest in doing a session with our students this Sunday from 12 to 1pm Hawaii Time.

Would this interest you? If you don't mind, would you call me if interested? I am having some arm issues so typing is not easy for me. My cell is: 440.488.9556 Hawaii Time.

Thanks for considering -

Aloha -

JS
