- Such a great ensemble to perform with
- This ensemble was great! I had so much fun performing in this group!!!
- I really appreciated the weekly emails with the plan for each rehearsal and the planning ahead! I also loved that during the rehearsals we always stayed on time and on the plan.
- This ensemble was so much fun to be a part of, it was refreshing to be in a group of such dedicated students and professors.

### 18 - THE INSTRUCTOR: Please comment on the strengths and weaknesses of Brianne Borden. Would you take another course from this instructor? -

- She knows how to be the students' friends
- Dr. Borden is a queen. That is it
- YES! I really appreciated how organized and timely every rehearsal was! I always knew what to expect and I was proud of the way we were able to stretch our musicianship and work on challenging music!
- Dr. Borden is amazing; she is incredibly knowledgeable of what needed to happen in rehearsals and brought in other great minds to help us be the best we could be. However, I think that with time, Dr. Borden could get a little stricter about expectations of the ensemble. We put on a good concert, but I know that a lot of us weren't putting as much time into preparing the music as we could be, myself included. I think Dr. Borden would be more than within her right to demand a little more effort from an ensemble of students chosen to be the most dedicated and able to handle the music we were given.
