17 - THE COURSE: Please comment on course content, requirement or any other aspect of the course.	
Response Rate	1/6 (16.67%)
<ul style="list-style-type: none"> This course offered a lot of freedom in terms of coming up with pedagogical techniques that would help students. I feel like this course gave me a good opportunity to tweak how I talk about certain concepts related to my instrument and to better understand how my instrument even works. Overall, the course was quite open-ended as a teacher, which I really appreciated.

• Although I did not talk much with Dr. Borden this semester, I always knew that I could come to her with any question and it would be answered with great care and enthusiasm. All of my interactions with Dr. Borden were enormously positive, and if I could take another course with her I absolutely would!
