Hi Brianne,

I hope this finds you having a well-deserved relaxing summer! It was great to catch a session and see you while at ITG.

I wanted to follow up with you about doing an exchange this coming Fall 2022. Would you be available to present virtually at one of our Music Major Seminars this Fall at MSU School of Music? This class meets Thursdays from 11am - 11:50am (MT) and consists of music majors at all levels. I thought this would be the best audience for the presentation you did at one of the early morning sessions. We have a budget to pay \$200 for your time and energy.

Would either September 8, September 22 or October 6th be an option for you? I believe the earlier in the semester the better to catch them with your approach so they can benefit throughout the semester.

Regarding my schedule, I'll look forward to finding a time that could work to visit virtually!

All the best and look forward to hearing from you,

Sincerely,

Sarah

Hi again, Brianne!

Just heard official time that would be best for us for the presentation. Would September 8 work for you? 11am - 11:50am MT.

Thanks so much for your consideration!

Sincerely,

Sarah

Hi Sarah,

Thank you so much for reaching out and I apologize for my delay in response! It's been a super busy summer. That day and time work for me! I'm very much looking forward to it.

We have just hired a second trumpet professor here, so I am still waiting to meet with him in order to decide some plans for the semester. Once we have a better idea of what that looks like, I'll reach out with the possibility of having you speak to our students! It would be great to have you.

Thank you again, and I hope your summer is going well!

Brianne

Hi Brianne,

Excellent! So great to receive your message and news you are able to present September 8th virtually for one of the Music Major seminars this semester at MSU. They are going to enjoy meeting and learning from you!

Congrats on hiring a new trumpet professor - is it public knowledge who was hired? Hopefully you had some say in the search too. Sounds great, will look forward to hopefully meeting your students at some point. In the meantime, more information to come as we get closer to school. Hope you enjoy the last bits of summer.

Thanks!

Sincerely,
Sarah

Hi Sarah,

Wonderful! I can't wait.

And yes! We hired Luke Spence. He did his DMA with Chris Gekker and has been teaching adjunct in the Maryland area the past couple of years. I'm super excited to have him here!

Is there a possibility you could virtually speak to our trumpet students on November 9 from 3-3:50 eastern time? Unfortunately, I can't place funding requests for the semester until it begins, but I feel confident that we can also fit \$200 in our budget for your time! We'd love to have you !
