Good evening Dr.Borden and Dr. Spence

I'm one of your prospective students from yesterday's auditions, Alessio Vega. I wanted to send both of you an email thanking you for your time and for listening to me play. I felt very welcomed on the Crane campus, everybody was so friendly and outgoing. One of your students in the hall actually stopped me to have a brief, pleasant, conversation with me. In actuality, the entire audition process really reaffirmed to me that this is a place where I can see myself finding a home.

All the best,

Alessio Vega
