- I wish there was less reading and more personal discussions but I understand that reading is necessary.
- We learned about a variety of different topics relating to health and wellness as musicians and human beings. We did yoga practice and journaling and then got to choose a topic for our final project which can be used in the future to help and support students at Crane.

18 - THE INSTRUCTOR: Please comment on the strengths and weaknesses of Brianne Borden. Would you take another course from this instructor? -

- Dr. Borden is one of the best professors I have had at Crane. She is so kind and genuinely cares about her students and their wellbeing. She makes class fun and interesting. I would 10000% take another class with her given the opportunity
