<ul style="list-style-type: none">• NA• Loved this course the busy work is a lot but even if you dont stay up on it it can still be done by the end. Loved this course took this course myself as a non major for flute to audition into Crane and taking it for trumpet was the best thing that happened to me i feel very supported on keeping my brass chops up• Very enjoyable- I feel I had a very good private teacher and it was nice to have a more loosely structured class. Definitely helped me progress in my techniques class as well. I don't know if I could have passed the techniques course without taking this class!	

18 - THE INSTRUCTOR: Please comment on the strengths and weaknesses of Brianne Borden. Would you take another course from this instructor? -

<ul style="list-style-type: none">• NA• Wonderful Teacher not hands on in this class but keeps everyone updated and I appreciate that love her personality she's doing a great job• I would love to take another course from her. She is very eager to help students and keep them updated on their progress in the course, and is always available for help even though we each have our own student-teacher in the course.
