- This course fostered a safe yet professional environment and has allowed me to grow so much in just the short time i've been here.
- I thoroughly enjoy this class. Any class with Dr. Borden, whether it be studio, or weekly lessons is the highlight of my week. Given I didn't get in person studio or lessons last year, it is very fulfilling to see my progress each week.
- I loved the switch in studio format this semester! I felt like I was getting more well rounded opportunities.

18 - THE INSTRUCTOR: Please comment on the strengths and weaknesses of Brianne Borden. Would you take another course from this instructor? -

- Dr. Borden is the most caring person I have ever met and has not only helped me with the trumpet, but with every other crisis i've had this semester. She is very humble, talented, is a strong advocate for mental and physical health in musicians, and is an all around amazing person and professor.
- Dr. Borden is extremely talented, professional, and helpful. I would not have gotten through the semester without her. She's an asset to the brass faculty and Crane faculty as a whole.
- Dr. Borden is the best person and teacher I have ever known. I truly don't know who I would be as a player or as a person if it wasn't for her constant support and affirmation. She is an amazing role model. Thanks Dr. B!
- Dr. Borden is a phenomenal teacher and person. She has helped me gain confidence in my playing and really improve a lot this semester. She caters to each students needs individually. She is always around if you need something and cares about your overall well being. I am excited to continue working with Dr. Borden and to see how far my playing will go throughout our time together!
- Dr. Borden does not just care about our work and how we perform, she wants the best for us as people and as musicians. Dr. Borden is always looking out for our mental health which means so much to all of her students. I can not wait to work with Dr. Borden in the future to see how much more I can learn. I know that people, including myself, look up to her even if they are not in her studio or play trumpet at all! She makes an impact on our lives and our wonderful school everyday. Crane is luck to have Dr. Borden.
